**Timeform says:**
- Returned to form when second in Group 3 at Cork last week, but she had been well beaten in the Oaks prior to that, so looks vulnerable back at this level. (Forecast 26.00)
- Has improved with each run since her winning debut, finishing a close fourth in the Musidora at York latest. That race hasn't worked out but this longer trip could bring about further improvement. (Forecast 10.00)
- Improved for the step up to 10f when landing a brace of handicaps for new yard in April. Back on the up when third in listed event at Goodwood 4 weeks ago, but she'll surely be outclassed here. (Forecast 101.00)
- Really well-bred filly who progressed further when readily landing a good novice at Sandown on return. Below expectations in the Musidora, but best judged on previous form for now. Likely to stay 1½m. (Forecast 23.00)
- Completed a straightforward task in comfortable fashion at Wetherby on return, and then ran well when ½-length third to Queen Power at Newbury and seems sure to improve again for 1½m. Fleeting positively overall.
- Completed a straightforward task in comfortable fashion at Wetherby on return, and then ran well when 5½ lengths third to stablemate Mehdaayih in the Cheshire Oaks latest. That race hasn't worked out but this longer trip could bring about further improvement. (Forecast 4.00)

**TIMEFORM VIEW:**
- At the prices, STAR CATCHER looks the way to go. She was beaten only half a length by Queen Power last time and seems sure to improve again for this step up in trip. Fleeting commands plenty of respect on the back of her excellent third in the Oaks, while Shambolic and Frankellina are others worth viewing positively.

**Timeform 1-2-3:**
1: STAR CATCHER (11)
2: FLEETING (3)
3: QUEEN POWER (8)
