**Timeform:**
- Landed first 3 starts, including a Doha Group 3 over 1m in February. Seemingly had limitations exposed at Group level subsequently and suspicion he will fall short here. (Forecast 67.00)
- Won 3 of his first 4 starts last year at up to 1m last year and placed in Greenham/German Guineas either side of a creditable display in English equivalent. Interesting Kingscote prefers Arthur Kitt. (Forecast 13.00)
- Improved with each start to date, confirming debut promise when landing 8-runner Nottingham minor event (8.3f) in April. Found only King of Comedy too strong at Sandown (1m) and worth this try at 1¼m (Forecast 10.00)
- Smart 2-y-o, landing first 2 starts prior to finishing fourth in Group 1 Dewhurst. Possesses plenty of scope and his return third in a Sandown listed event was a perfectly adequate return. One to note (Forecast 9.50)
TIMEFORM VIEW: HEADMAN arrives having followed a similar pattern to connections' Time Test who landed this race in 2015. It was no mean feat in defying top weight in the London Gold Cup on his most recent outing and there is a strong suspicion Roger Charlton's colt can rate higher still. Cape of Good Hope is also interesting down in grade, along with Fox Chairman and King Ottokar back at this shorter trip.

**Timeform says:** Improved for the step up to 10f when landing a brace of handicaps for new yard in April. Back on the up when third in listed event at Goodwood 4 weeks ago, but she'll surely be outclassed here. (Forecast 101.00)

- One of the top stayers in France who made it 2 from 3 this season when seeing off 10 rivals in Longchamp Group 2 last month. Should give it his usual good shot but probably playing for minor honours. (Forecast 23.00)

- Much improved when winning Chester Cup and Sandown Group 3 last spring. Flopped in Melbourne Cup in November but reappearance third over inadequate trip at Chester suggests he's back in decent form. (Forecast 29.00)

**Timeform says:**
- Won first 3 starts in 2018, including 7f Group 2 at Glorious Goodwood. By no means disgraced in listed company at Sandown last time, but faces a stiff task under top-weight in this red-hot handicap.
- Gelded following 2-y-o campaign and has improved this year, building on Beverley reappearance success when getting the better of Awe here (7f, good to soft) last month. Should have more to offer.
- Gelled following 2-y-o campaign and has improved this year, building on Beverley reappearance success when getting the better of Awe here (7f, good to soft) last month. Should have more to offer.
- Dual 2-y-o winner and left low-key reappearance well behind when third in Epsom listed race. Not disgraced in the Dante at York since and worth a second look back down in trip on this handicap debut.
- Seemingly benefited from fitting of blinkers when opening his account at Dundalk in April. Not beaten far in Group 3 company next time, but further improvement needed off this mark now handicapping.
- Pretty useful 2-y-o, but struggled in listed company on return at Newmarket and subsequently beaten 7 lengths in the Goodwood handicap won by Beat Le Bon.

**Notes**:
- Made it 2-2 in handicap company when scoring at Newmarket (1m, good) on penultimate start. Not disgraced in German 2000 Guineas next time and he's in with an each-way shout.
- Won 3 times as a 2-y-o, notably a French listed race. Best effort so far this year when fourth in Haydock handicap won by Beatboxer, but looks vulnerable in a race this competitive.
- Progressive colt who won twice at Dundalk earlier this year. Solid third in competitive listed race there (1m) when last seen in March, but further progress needed now switched to turf.
- Listed winner on AW in March and sported first-time cheekpieces when creditable fourth of 14 in Beat Le Bon's Goodwood handicap last time. Blinkers refitted and bit to prove back up in trip here.
- Signed off 2-y-o campaign with victory in French listed race. However, below par both starts this year, including when tried in a first-time visor (retained here) at Chelmsford recently.

TIMEFORM VIEW: Top of a long list of plausible candidates is AWEEDRAM, who wasn't seen to best effect in the Silver Bowl at Haydock and he looked progressive prior to that. The recent rain shouldn't be an issue (C&D winner on good to soft last month) and he probably has more to offer. King Ademar is feared on the back of his Nottingham near miss, while Velorum, Motafaawit and Davydenko all possess potential.

**TIMEFORM VIEW:** SIR RON PRIESTLEY cashed in on what was a gift of an opening mark at Haydock last month, and given there’s little doubt that he’s a middle-distance handicapper on the up, he could well shrug off an 8 lb rise and provide Mark Johnston with a seventh win in the race. Sinjaari and Good Birthday finished second and third in a good renewal of the London Gold Cup Handicap and head the opposition.

**Timeform 1-2-3:**
1: SIR RON PRIESTLEY (12)  
2: SINJAARI (6)  
3: GOOD BIRTHDAY (8)
