**Jockey Colours:**
- Dark blue, white sleeves, dark blue diamonds and cap for FIDUX
- Black, red stars, red sleeves, white armlets, red cap for BLAZING TOM
- White, light blue star for KINGS RYDE
- Emerald green, dark green sleeves, dark green and emerald green quartered cap for SEROSEVSKY
- Royal blue, white epaulettes, white and royal blue halfed sleeves, royal blue cap, white star for NO HASSLE HOFF
- Purple and pink diamonds, purple sleeves, purple cap, pink diamond for SEA DESTINATION

**Notes:**
- Dark blue, white sleeves, dark blue diamonds and cap for FIDUX: Useful hurdler who showed an impressive burst of speed to make his chasing debut a winning one at Hexham (20f) last month. Needs to improve his technique but he’s open to improvement in this sphere. (Forecast 2.38)
- Black, red stars, red sleeves, white armlets, red cap for BLAZING TOM: Well held in a Cheltenham hunter back in May 2018 but he’s a multiple point winner and he may yet have more to offer under Rules for new yard. This is tough, however. (Forecast 29.00)
- White, light blue star for KINGS RYDE: Fairly useful hurdles winner who was below his best on his latest start at Worcester (23f) 4 weeks ago. Still, no form hope now his attentions are switched to chasing. (Forecast 9.50)
- Emerald green, dark green sleeves, dark green and emerald green quartered cap for SEROSEVSKY: Useful hurdler who ran creditably when runner-up over fences at Hexham (3m) on his latest start, albeit doing little once in front and headed close home. Entitled to be thereabouts again in any case. (Forecast 2.88)
- Royal blue, white epaulettes, white and royal blue halfed sleeves, royal blue cap, white star for NO HASSLE HOFF: Proved better than ever after 5 months off when scoring over hurdles at Wincanton (21.3f) in April. Seemed amiss at Haydock since but he has a point background and not one to write off. (Forecast 7.50)
- Purple and pink diamonds, purple sleeves, purple cap, pink diamond for SEA DESTINATION: Dubai Destination mare. Dam (h94), 2m hurdle winner, sister to useful hurdler/fairly useful chaser Sea Gale. Off mark at fifth attempt in points but that came back in 2017 and best watched here. (Forecast 51.00)

**Timeform View:**
- FIDUX needs to improve his technique in this sphere, yet he still showed an impressive burst of speed to make his chasing debut a winning one at Hexham last month, and he is fancied to conced weight all round with better to come. No Hassle Hoff is next best, ahead of Serosevsky.

**Timeform 1-2-3:**
1: FIDUX (1)  
2: NO HASSLE HOFF (4)  
3: SEROSEVSKY (5)
