Jockey Colours: Royal blue, orange spots on sleeves and cap

Timeform says: Improved to land first 2 starts in handicaps at up to 22f during the spring and not disgraced in defeat from much-inflated mark more recently. More needed if she’s to resume winning ways, however. *** (Forecast 13.00)

Jockey Colours: Emerald green and red (quartered), hooped sleeves, striped cap

Timeform says: On the back of a breathing operation/13 months off he proved better than ever to score at Huntingdon (20.6f) in May, driven clear to score by 5 lengths. Given time since and one to consider. **** (Forecast 7.50)

Jockey Colours: Light green and emerald green (quartered), light green sleeves

Timeform says: All his wins for Olly Murphy came in selling company and he ended his time with that yard out of sorts during the spring. Similar story on yard debut last month. *** *** *** (Forecast 67.00)

Jockey Colours: Royal blue, white hollow box

Timeform says: Scored twice last summer and back on the up when successful at Bangor (23f, soft) last month. 6 lb higher now but not discounted if arriving in same form here. ** *** *** (Forecast 9.00)

Jockey Colours: Orange, dark blue sleeves, orange stars, dark blue cap, orange star

Timeform says: Arrives here in rude health, supplementing his Uttoxeter success in comfortable fashion at Southwell (20.3f) last month. Escapes a penalty for that success and he makes obvious appeal in hat-trick bid. ** *** *** (Forecast 2.88)

Jockey Colours: Orange, blue and chocolate hoops, orange cap

Timeform says: Modest form over hurdles for Gordon Elliott earlier in his career, though he ran up to his best when runner-up in a Warwick maiden (19f) for this yard in May. Back up in trip now. *** *** *** (Forecast 23.00)

Jockey Colours: Royal blue, light blue cross belts and armlets, white cap

Timeform says: Maiden hurdle winner who opened chase account at first attempt at Ffos Las (2m) in summer 2017. Essentially disappointing thereafter for Tom George. Arives fit from points at least. *** *** *** (Forecast 26.00)

Jockey Colours: Red and white stripes, dark blue sleeves and cap

Timeform says: Bumper/mares' handicap hurdle winner who kept on well to grab second over 23f at Market Rasen in August. Temperament has seemingly taken hold since, however. Visit now the headgear of choice. **** (Forecast 29.00)

Jockey Colours: Light blue, orange epaulettes

Timeform says: More to like about Market Rasen handicap debut second on Boxing Day but shaped as if amiss at Uttoxeter following 5 months off in May. Still, in good hands so not one to write off. *** (Forecast 11.00)

Jockey Colours: Emerald green and white stripes, royal blue sleeves, white stars and cap

Timeform says: Placed twice in handicap hurdles this spring, latest when third of 6 at Fontwell (25.7f) in May. Each-way claims again provided he keeps the mistakes to a minimum. *** (Forecast 15.00)

Jockey Colours: Purple, mauve epaulets, grey sleeves

Timeform says: On the back of a breathing operation/13 months off he proved better than ever to score at Huntingdon (20.6f) in May, driven clear to score by 5 lengths. Given time since and one to consider. *** *** *** (Forecast 13.00)

Jockey Colours: Black, red chevrons, diamonds on sleeves, red cap

Timeform says: Winner over hurdles for Gordon Elliott but consistency not her strong suit and she was too lit up over shorter here on her latest outing in May. Needs to settle better to feature. *** *** *** (Forecast 23.00)

**TIMEFORM VIEW:** DOVILS DATE goes unpenalised for his latest runaway success at Southwell and he is fancied to make a bold bid to complete the hat-trick here. This is a race containing depth however, with fellow last-time-out winners Fresh New Dawn and Handy Hollow also expected to be involved.
