**Timeform says:**
- Probably more of a long-term prospect. (Forecast 51.00)

- Has shown clear signs of ability in Kempton maiden and minor event at Newbury, but she appeals as the type to come into her own in nurseries later on. (Forecast 19.00)
- An encouraging Goodwood introduction.
- Little in the way of immediate promise on recent Newbury debut, and he’s likely to need more time. (Forecast 34.00)
- May need more time and distance. (Forecast 34.00)
- Likely to prove a tough nut to crack. Manigordo is next on the list, while newcomers Clever Candy and Kentucky Hardboot need close attention in the betting, and Miss Villanelle may yet build on her encouraging Goodwood introduction.
