ATR VERDICT: SAVITAR did well to finish second after blowing the start over 6f at Goodwood last month and should appreciate this step up in trip returned to the all-weather. The four-year-old will have entered a few notebooks on that occasion and could take some beating off an unchanged mark of 61. Kendergarten Kop has performed well in both starts so far this season and now wears first-time cheekpieces, while The Warrior doesn't win as often as he should but is 10lb below his last successful mark.

Top Tip: SAVITAR (9)

Long Handicap: Captain Marmalade 8 - 6, Rocksette 8 - 6, Hi There Silver 8 - 6, Prerogative 8 - 6, Duhr 8 - 6

ATR VERDICT: CAPTAIN MARMALADE often starts slowly but he should appreciate this step up in trip after making up a few lengths in the final furlong over 1m here 46 days ago. The seven-year-old doesn't have too many miles on the clock in the last 12 months or so and could be worth following at this level. Hi There Silver struck at Kempton in April before a creditable third at Brighton a few weeks later. Prerogative can collect yet another bronze medal.

ATR VERDICT: DISTANT CHIMES made his seasonal reappearance a winning one at Wolverhampton seven days ago and it is no surprise to see connections get their charge back out quickly under a 5lb penalty. The four-year-old landed a bit of a gamble on that occasion and could still have plenty in hand for this shrewd yard. Ambling was a shade disappointing at Newbury last time but may bounce back, while Sawasdee is slowly edging towards a first success but still requires more.

ATR VERDICT: ACES got off the mark for the season with a victory over the extended 7f at Chester late last month and looks to have been found a good opportunity to follow up here. Mutaraffa was disappointing when last of seven on his handicap bow at Haydock earlier in the month, but is unbeaten in two course appearances and has to enter calculations. Spirit Warning went close to a double at Windsor latest and cannot be ruled out either.

ATR VERDICT: SIR ARTHUR DAYNE posted his best effort to date when third at Epsom last time and the booking of Silvestre De Sousa, combined with the application of cheekpieces, could see him take the step forward required to land the spoils. Fashion Free placed on her handicap bow over 6f at Pontefract and on the evidence of that performance, is likely to be suited by stepping back up in distance. Constanzia also merits respect on her Chelmsford success last month.

ATR VERDICT: Little Bird merits respect having got off the mark at Doncaster last month, but that form is not the strongest and she could be vulnerable under a penalty. With that in mind, preference is for THE CITY'S PHANTOM, who displayed plenty of promise on his debut in a much stronger race than this at Newmarket. If he can improve for that experience then the son of Free Eagle should be hard to beat. Sweet Sixteen has a similar profile to the selection and she completes the shortlist.

ATR VERDICT: It is very hard to oppose BETSEY TROTTER, who was an easy five-length winner at Catterick last week and a 5lb penalty may not be enough to stop her from taking this contest as well. Molly's Game put in an encouraging effort at Leicester last month and she could prove to be the main threat, while Mrs Worthington, sporting first-time cheekpieces, is also noted.
