Dubai Duty Free Shergar Cup Dash (Handicap) (Class 2) (3YO plus)

**Jockey Colours:** LIGHT BLUE, black yoke, black inverted triangle, hooped sleeves, BLACK cap

**Timeform says:** Has returned in good order, winning handicap at Nottingham (5f) and conditions event at Haydock (6f) in between an excellent third in Wokingham at Royal Ascot. Likely to go well again. (Forecast 4.50)

**Timeform says:** Improved to make winning reappearance at Windsor in May. Just as good when second at Newmarket the following month but last 2 runs below par. Bounce back needed. (Forecast 23.00)

**Timeform says:** Fine fourth in the Commonwealth Cup here last season. Largely struggled since but mark on the slide as a result and he shaped quite well from a tough draw at Goodwood last week. Yard won this before. (Forecast 10.00)

**Timeform says:** Back to form with a bang when leading near the finish in 5f Glorious Goodwood handicap last week. Unexposed over 5f and respected up 2lb. RESERVE. (Forecast 49.00)

**Timeform says:** Runner-up in July Cup in his pomp but veteran is still very useful and best effort since 2015 when scoring at Chelmsford in June. Best form on AW nowadays though and rare run on turf. RESERVE. (Forecast 500.00)

**TIMEFORM VIEW:** CASPIAN PRINCE was the ready winner of a valuable event at Musselburgh 14 months ago when last this low in the weights and might be worth chancing with his sights lowered having contested listed/Group races on his last 3 starts. Stakeable Danzeno rates an obvious danger, while Stone of Destiny was better than the result at Goodwood last week and is starting to look well treated.

**Timeform 1-2-3:**
1: CASPIAN PRINCE (2)
2: DANZENO (1)
3: STONE OF DESTINY (10)

---

**Jockey Colours:** BLACK yoke, black inverted triangle

**Timeform says:** Former Stewards’ Cup winner. Respectable fourth on AW when last seen in February. Lower mark on turf and claims if primed after 6 months off for stable which took this in 2017. (Forecast 15.00)

**Jockey Colours:** YELLOW, black yoke, black inverted triangle, hooped sleeves, BLACK cap

**Timeform says:** Improved to make winning reappearance at Windsor in May. Just as good when second at Newmarket the following month but last 2 runs below par. Bounce back needed. (Forecast 8.00)

**Jockey Colours:** LIGHT BLUE, black yoke, black inverted triangle

**Timeform says:** Fine fourth in the Commonwealth Cup here last season. Largely struggled since but mark on the slide as a result and he shaped quite well from a tough draw at Goodwood last week. Yard won this before. (Forecast 10.00)

**Jockey Colours:** white

**Timeform says:** Back to form with a bang when leading near the finish in 5f Glorious Goodwood handicap last week. Unexposed over 5f and respected up 2lb. RESERVE. (Forecast 49.00)

**Timeform says:**
- Has won at Leicester and Chester this term and continued good work in defeat since. Won’t want for stamina and rider had a cracking time of it at this meeting last year. (Forecast 9.50)
- Made hay on the AW over the winter but has struggled in the Yorkshire Cup and Northumberland Plate back on turf last time. (Forecast 9.50)
- Cooked form in a return to this venue could be just the ticket (won on his last 2 visits here, including a C&D handicap). (Forecast 9.00)
- Made hay on the AW over the winter but has struggled in the Yorkshire Cup and Northumberland Plate back on turf last time. (Forecast 7.25)
- Yet to win a handicap but reliable on the whole and not beaten far in C&D handicap last time. (Forecast 8.00)
- Respectable efforts 3 of 4 starts this term but wouldn’t be sure to stay this far. (Forecast 7.50)
- Done nothing but win on AW in a C&D handicap last month and this looks a bit above his pay grade also. Hood back on. (Forecast 5.00)
- DBs double career tally at Kempton (12f) in March but struggled in hot Newbury handicap last time. Rather unlucky to bump into the pattern-class Withhold. Huge dual winner in 2018 and proved better than ever when second in hot 2m Newbury handicap last month and this looks a bit above his pay grade also. Hood back on. (Forecast 5.00)

**TIMEFORM VIEW:**
- BILLY RAY could have more to offer as a stayer after a huge effort behind Withhold at Newbury and he has plenty going for him under Danny Tudhope. Time To Study is a big player on his third in the Ascot Stakes, while Eddystone Rock can go well under Hayley Turner.

**TIMEFORM VIEW:**
- **MELTING DEW** has been quiet in 2019 so far, but on the plus side he is just 1 lb above his last winning mark and the re-fitting of cheekpieces could be the catalyst to an improved showing (took well to same headgear last summer). **INDIANAPOLIS** shaped well in the Old Newton Cup and is respected, while **MANDARIN** is a handicapper on the up.

Jockey Colours:
- CERISE, BLACK yoke, black inverted triangle
- LIGHT BLUE, black yoke, black inverted triangle
- YELLOW, black yoke, black inverted triangle
- WHITE, black yoke, black inverted triangle

Timeform says:
- ANOTHER BATT: Smart for former yard and has seemed to be working his way back for Richard Hughes, shaping well on the wrong side at this course last time. Big change from an appealing mark. (Forecast 8.00)
- BREDEN: A credit to connections who posted a near smart effort when landing a 1m Newbury handicap in May. Not at best at Sandown since but not the type to stay down for long. Back up in trip. (Forecast 26.00)
- ZWAYYAN: Successful at Wolverhampton on return and ran well behind Petrus at Bath in April. Not at his best since, though. (Forecast 15.00)
- ORIGINAL CHOICE: Below last winning mark now and arrives on the back of his best effort for his current yard when eighth (not beaten far) in a big field at Goodwood 8 days ago. Not ruled out. (Forecast 19.00)
- WAARIF: Scored at Windsor in June from a mark just 1 lb lower than this and has had definite excuses for both subsequent outings, so could well bounce back and put up a bold showing here. (Forecast 6.00)
- ZHUI FENG: Highly progressive at the age of 2, winning 3 of his last 4 (all at Ayr) and doing well to get up in the dying strides last time. This is more competitive but the track should suit. (Forecast 8.00)
- NICKLAUS: Progressive in handicaps last term and produced a career best when runner-up at Pontefract in June. Latest effort was uninspiring, though. Reserve 1.
- ENIGMATIC: Won here in May and has remained in top form since, although his mark reflects that, no excuses when third at Pontefract last month. Reserve 2. (Forecast 500.00)

TIMEFORM VIEW:
- ANOTHER BATT travelled like one that's right back in form when stuck on the wrong side of the track here last time and, dropping into a lesser grade, he looks to have a massive chance on his third outing for a new stable. Nicholas T is on a roll and must be respected under Spencer, while a bounce back to form from Waarif would be no surprise.

**Timeform says:**
- May hold his form since winning at Goodwood in June and has held his form since winning at Goodwood in June but several of these look better treated.
- Chances of progressing.
- Would be suited by a strong pace.
- Plenty of promise at 2 but hasn't really fulfilled it, seemingly going the wrong way, although this drop in trip should be in his favour.
- Consistent sort who ran as well as could be expected when third in a listed race at Hamilton last time and has found his mark unchanged dropping back into handicap company. Respected.
- Career best when winning 6-runner handicap at Newbury (12f) in June and quickly back to form with an excellent second at Goodwood 6 days ago. Big claims if race doesn't come too soon.
- Career best when winning 6-runner handicap at Newbury (12f) in June and still looked well treated when runner-up there last month. Seemed unsuited by Goodwood in competitive 3-y-o event subsequently, so worth a chance to bounce back.
- Lightweight-gelded. Winner at Doncaster in April. Fourth of 6 in handicap (5/4) at Sandown (14f, good to firm) 51 days ago, doing too much too soon. NON RUNNER.

### Timeform:
- **THE CRUISING LORD**: Landed a Bath minor event on return in April and has improved in defeat subsequently, far from disgraced in listed/Group 3 company. Well beaten on handicap bow latest but the return to 6f a plus now.
- **BARBILL**: Some useful 2-y-o form to his name and he arrives here having performed with credit on each of his last 2 starts, midfield in a Newbury Group 3 last time. Expected to give his running again.
- **JUNIUS BRUTUS**: Won 3 times at 2 yrs and all the better for his reappearance effort when runner-up at Windsor (5f) in June. Return to 6f will hold no fears now.
- **MAGICAL WISH**: Latest win at Lingfield in April. Creditable efforts in some big-field handicaps thereafter but he arrives here having been below his best in recent weeks, including at Galway last time.
- **VICTORY DAY**: Landed a Bath minor event on return in April and has improved in defeat subsequently, far from disgraced in listed/Group 3 company. Well beaten on handicap bow latest but the return to 6f a plus now.
- **PASS THE VINO**: Has knocked on the door on occasions and picked up well to get the better of Pass The Vino at Newmarket (6f) in a tight finish last month. A repeat should see him thereabouts again.
- **KINKS**: Has knocked on the door on occasions and picked up well to get the better of Pass The Vino at Newmarket (6f) in a tight finish last month. A repeat should see him thereabouts again.

### Notes:
- **VICTORY DAY**: Added fourth career success to the tally at Lingfield (7f) in May. Mixed bag race-by-race progress when runner-up on handicap debut at York in June, just failing to get up. Very much the type to go on improving, all looks set fair for another big run here. Pass The Vino and Kinks are closely matched on their Newmarket form and are also fancied to play lead roles once more.
- **JACK'S POINT**: Successful on each of his first 2 starts at 2 yrs and feeling of unfinished potential.
- **WOVEN**: Run with credit on 3 of his 5 starts since the turn of the year but he was never remotely competitive behind a host of these last time.
- **YOU SINI**: Ran with credit on each of his last 2 starts, midfield in a Newbury Group 3 last time. Expected to give his running again.
- **BUCKINGHAM**: Barely broke sweat when winning 7.6f Chester minor event in May (good time) and overwhelmed in the Britannia next time, doing far too much too soon. Remains with potential.
- **HERO HERO**: Barely below par on debut at York in June. Ran with credit on each of his last 2 starts, midfield in a Newbury Group 3 last time. Expected to give his running again.

### Timeform View:
A winner on return at Ripon in May, VICTORY DAY continued the theme of race-by-race progress when runner-up on handicap debut at York in June, just failing to get up. Very much the type to go on improving, all looks set fair for another big run here. Pass The Vino and Kinks are closely matched on their Newmarket form and are also fancied to play lead roles once more.
