Long Handicap: Cromwell 8 - 1

ATR VERDICT: VISIONARA was beaten less than a length in novice company last time and Simon Crisford's lightly-raced Kingman filly is of real interest now entering the handicap ranks. Excelled was a silver medallist over this trip at Wolverhampton and has every chance of going one better off just a 1lb higher mark, while Kwela has already tasted success over this distance this season and can't be ignored.

ATR VERDICT: Archie Watson's HARRISON POINT was only beaten a neck over this trip at Kempton on debut last week and the Speightstown colt gets the nod to open his account at the second attempt. That feat was achieved by Simon Dow's Hector Loza, who scored over six furlongs at Chelmsford, while Tell Me All was an impressive victor at Beverley last month and could have lots more in the locker.

ATR VERDICT: Archie Watson has a strong hand here and it will be no surprise if his pair of fillies fight out the finish. FASHION FREE battled her way to a first success at Ffos Las and the mount of Hollie Doyle gets the nod off a 4lb higher mark, although stablemate My Motivate Girl won a Wolverhampton seller with ease and will be no pushover. Zain Storm and Royal Ambition are others to keep an eye on.

ATR VERDICT: THE VERY MOON has rattled the crossbar in all three outings so far, including when recording a career best when stepped up in trip on the turf track here last time. Sir Michael Stoute's Teofilo filly is a half-sister to five winners who have mostly excelled over similar distances and there should be much more to come from the lightly-raced three-year-old. Ambling was only beaten a neck over track and trip last month and requires plenty of respect, while Midnight's Gift shaped nicely at Nottingham and could improve heading up in trip.

ATR VERDICT: ANYONECANHAVEITALL has put in some taking performances since being upped in trip, none more so than when an impressive six-length winner at Redcar at the weekend. Mark Johnston's three-year-old holds leading claims looking for a quick follow-up under a 6lb penalty. Sir Mark Prescott is always respected with his runners in this sphere and his recent Chelmsford winner Mon Frere makes plenty of appeal. Ban Shoof is another to note off a falling mark.

ATR VERDICT: BLESSED TO EMPRESS excels over this distance and having only been denied by a short head at Wolverhampton, she could go one better and return to the winner's enclosure off a 2lb higher mark. De Little Engine was another beaten by a narrow margin last time, while Miss Icon was on the scoresheet at Chepstow when last seen and is respected attempting to follow up.

ATR VERDICT: LIPPY LADY built on a useful turf effort over seven furlongs here to land the spoils at Leicester, and Paul George's three-year-old can follow up off just a 1lb higher mark. All-weather specialist Gold Flash is sliding down the ratings and is respected, while Caledonia Laird was just a place behind him when they met at Wolverhampton earlier this month and is another to consider.
