ATR VERDICT: COME ON GIRL was touched off by a head over this trip at Lingfield and is expected to remain competitive in the face of a 5lb rise. There are plenty of potential improvers lurking in the background on their handicap debuts. Pearl Stream, who steps up in trip after finishing midfield at Ayr, may be the pick of them, though Yorkshire Grey, Positive Light and Red Jasper could also figure.

Top Tip: COME ON GIRL (7)

ATR VERDICT: OVERPRICED MIXER sets a clear form standard on his head second over 7f at Chepstow and is expected to continue his improvement and go one better now granted this additional furlong. Opine is fancied to give a good account of himself on his debut and is worth monitoring in the betting, while any money for fellow newcomer Bronze River would also be worth heeding.

ATR VERDICT: LOVING GLANCE has run to a solid level at Newmarket on both outings to date and will take plenty of beating if performing to a similar level of form in this weaker heat. Albadr should be all the wiser for the experience gained on debut over 1m2f at HQ before being gelded and is interesting now dropping back to a mile. Any money for Newcastle winner Mostawaa on his return from a 286-day absence would also be notable.

ATR VERDICT: MAGICAL RHYTHMS has shown potential in three career starts and can shed her maiden tag on her all-weather debut. The three-year-old has been handed an official rating of 83, and will be tough to stop if performing to that level in this novice event. Newcomer Ghadbbaan has already had his wind tickled with and warrants a market check, while Al Moataz is also fancied to land one of these sooner rather than later.

ATR VERDICT: Toro Dorado was popular in the betting when failing to beat anything home at Bath and can probably be forgiven that effort given that it looked too bad to be true. Rusper's Gift is interesting on his handicap debut after an absence, but a more reliable option could be David Flood's KENDERGARTEN KOP. Successful in two of his last three starts, this straightforward type will be ridden prominently from stall one and can defy a 3lb rise.

Top Tip: KENDERGARTEN KOP (3)

ATR VERDICT: LETHAL LUNCH has performed well after a break in the past and caught the eye when fourth over this C&D when last seen in March. Clive Cox's four-year-old is capable of winning off this mark of 90 and appeals slightly more than Quick Breath, who is holding his form well. Diocles Of Rome will find this easier than the International at Ascot last month.

ATR VERDICT: TYPHOON TEN arrives in decent form having placed on his last couple of outings in competitive handicaps. The return to the scene of his sole career success, which came on his debut last June, could see Richard Hannon's colt back to winning ways. Sparkalot has a fine course record and has to warrant respect despite returning from a lengthy absence, while Airshow could be in the mix on his effort at Chelmsford.

ATR VERDICT: WANAASAH showed her appreciation for a return to front-running tactics when breaking through at Wolverhampton, and a repeat of that effort could see the daughter of Cape Cross strike again. Sir Prize was unable to land a Kempton hat-trick when last seen in February, finishing fourth, but he could have more to offer on his fifth outing in handicap company. Others to consider include Murhib and Gold Arch.
