Jockey Colours: Dark green and brown (quartered), purple sleeves, yellow cap Timeform says: Hurdles/chase winner who held his form well initially last term. Disappointed over C&D back in September but his final outing in November was a creditable display. No forlorn hope on return.

**TIMEFORM VIEW:** DOCTOR LOOK HERE proved he still has plenty to offer when cashing in off his reduced mark over C&D last month and a repeat here should see him play a lead role once more. San Satiro has his own ideas about the game but undoubtedly has the ability to play a part, whilst Glanvilles Guest is expected to give her running once more.

**TIMEFORM VIEW:** The 3-y-o POLA CHANCE has shown plenty of ability when reaching the frame in a couple of juveniles this summer and might be worth chancing now making a quick switch to handicaps. The consistent Chilli Romance is a solid alternative, while the unexposed Binn Boru didn't shape too badly on her handicap debut and is open to further progress.
