ATR VERDICT：KENTFORD HEIRESS wasn＇t disgraced in her attempt to make it three on the bounce when third in a good handicap at Newton Abbot in June．She could have further progression to come stepping up in trip and could prove too strong for Poker School，who is of interest tackling this distance for the first time on a sharp track．The consistent Pink Eyed Pedro also merits respect after his hat－trick bid was only foiled by one horse last time．

Top Tip：KENTFORD HEIRESS（2）
Watch out for：POKER SCHOOL（5）
