TIMEFORM VIEW: ARCADIAN SEA finished ahead of an easy next-time-out winner when runner-up on handicap debut at Market Rasen in June and makes plenty of appeal in a race lacking credible opponents. It's hard to know what Mr Sawyer will be capable of hurdling very late in his career but he has a very low mark to exploit and is worth monitoring in the betting for his new yard.

TIMEFORM VIEW: This could revolve around the fitness of PRECIOUS BOUNTY, who looked a sure-fire winner over fences when a debut second at Ffos Las in May but has been off since. Such was the promise shown there that he's taken to defy his absence, with Included set for a place once more. The remainder have question marks against them and Song of The Sky could prove the pick on her first start for Charlie Mann.

Notes:

TIMEFORM VIEW: A steadily-run bumper was never going to suit GENNADY at Ayr in October, but he offered plenty to work on that day and he could be the answer on debut for Keith Dalgleish. Arctic Valley won a weak contest at Worcester and has more on his plate under a penalty, but he can still be a factor, while Socks is an interesting newcomer.
