ATR VERDICT: SEAS OF ELZAAM went close on his racecourse debut when third at Catterick earlier in the month and he can put that experience to good use, with the drop in trip unlikely to pose any concern. Mecca's Hot Steps placed in a Carlisle nursery on her latest start and can enter the reckoning back in a maiden, while Hidden Spell is capable of a bold performance on a better surface than she encountered at Haydock.

Top Tip: SEAS OF ELZAAM (2)

Watch out for: MECCA'S HOT STEPS (7)

ATR VERDICT: DATA PROTECTION has been in decent form over the past couple of months and returned to winning ways at Epsom. He then ran with credit when attempting to follow up at the same track, and can get his head back in front on this occasion. Amor Fati can improve from his fifth at Salisbury, while Hammer Gun was an unlucky loser in the Leger Legends contest at Doncaster last week so has to enter calculations back in handicap company.

ATR VERDICT: ANNA BUNINA has shown a good attitude to win her last couple of starts at Beverley and Ripon, both of them by a neck, and the daughter of Poet's Voice could have more to offer on her second outing over 1m2f. Railport Dolly was third behind the selection at Ripon and is respected after a mostly consistent season. Billy Roberts could return to form after disappointing over C&D at the end of July.

ATR VERDICT: Successful over course and distance in May, GALE FORCE MAYA has rattled off a hat-trick at Carlisle in recent months and is evidently well suited by the demands of a stiff 6f. She's been raised 5lb by the handicapper for her latest triumph but should mount another bold bid. Kindly is a model of consistency and has place possibilities, as do Betsey Trotter and Irish raider Dragons Call.

ATR VERDICT: Stormin Norman has work to do with FOREWARNING on their C&D encounter last month and, although Micky Hammond's charge cannot be overlooked, the in-form Julia Brooke inmate is the one to be on as he followed up that course success with a very creditable second behind the progressive Platform Nineteen at York and operates off the same mark. Rubenesque, who is 4lb higher than when winning over an extended 2m5f here in April, is another to take seriously.

ATR VERDICT: Pianissimo has had three attempts to get off the mark and connections now try first-time blinkers coupled with a step up in trip to try to get the best out of their charge, but perhaps the more experienced BALLYLEMON can strike. Fifth in a competitive Newbury handicap when last seen 125 days ago, the Richard Hughes-trained three-year-old should appreciate this drop back to maiden company. Newcomer Isocrates warrants a market check.

Long Handicap: Round The Island 8 - 8

ATR VERDICT: ROUND THE ISLAND's last four successes have come at this venue, including in this race last year, and he can land the spoils again. The course specialist shaped with promise when third at Carlisle last week on ground that was probably soft enough, and the return to a quicker surface is expected to help, while he competes off a mark 11lb below his last winning figure. Atletico isn't easy to catch right but has finished second the last twice, and Penny Pot Lane is another to note.

Top Tip: ROUND THE ISLAND (8)
