TIMEFORM VIEW: ORLAITH took her form to new heights when landing a listed event on good to soft at Newbury last month and, provided there's still some juice in the ground, there's no reason to think she won't run to a similar level, which would make her a tough nut to crack. Rose of Kildare's recent handicap efforts have justified a move to this level and Haydock winner Aleneva has potential for better still.

TIMEFORM VIEW: A case can be made for a few here, but at the likely odds it's worth siding with BEYOND THE CLOUDS. Kevin Ryan's charge showed up well for a long way at Hamilton last time before fading under the extreme conditions and he can bounce back. Mistiroc is a very long time without a win but is weighted to go close and commands respect along with hat-trick seeking Irish raider Shamad.
