TIMEFORM VIEW: There's little between the two market leaders on paper, but preference is for MODAKHAR, who shaped as though the step up to 1m would really benefit him when touched off at Catterick. He can make full use of the 7 lb he receives from Roman Stone, who is also on the up but might not prove so adept under today's conditions having made all over nine furlongs in the mud at Carlisle.

TIMEFORM VIEW: CHICA BUENA has developed into a near-useful performer over hurdles since contesting a trio of Flat races for Brendan Duke in 2017 and she could potentially make a mockery of her basement mark. Viscount Wllson isn't as good as the selection over hurdles but can also make his

presence felt at this level, with Kaizer another to consider.

Long Handicap: Pammi 8 - 6
