**TIMEFORM VIEW:** A chance is taken on MOONTIDE, who has shown enough on his last 3 starts in France, particularly when a close third in a claimer in July, to suggest that a race of this nature would be within his grasp. Neither Isobar Wind nor Amnaa covered themselves in glory last time out, but that duo are the clear main dangers at the weights.

TIMEFORM VIEW: VASARI looks the one to be most interested in after a promising display at Sandown. This is an easier race and he should be able to confirm previous market confidence in him. Brad The Brief is the biggest danger after a win and a respectable effort at Doncaster. Streeton is an interesting newcomer.

**TIMEFORM VIEW:** A SURE WELCOME has an enviable record over this C&D and has been running well all summer. He was a bit unlucky at Ascot last time and should find this slightly easier under a promising apprentice. Secretfact is another C&D winner who may be able to follow up a narrow victory at Bath. Acclaim The Nation is another of interest in a wide-open sprint handicap.

**TIMEFORM VIEW:** MONOGAMY looks like the one to be with in an uncompetitive event. Martyn Meade's filly shaped well last autumn before disappointing in the spring. It's interesting that connections have persevered and she can reward their faith. Fortamour is the biggest danger after winning a weak event at Newcastle. Hurricane Ali may be the pick of the outsiders as he steps up in trip.
