ATR VERDICT: PERFECT SWISS has been knocking on the door over shorter of late and, having shaped as though further would suit, the step up to a mile could be what is needed for him to be let in. Gunnison won at Thirsk in late August off 3lb lower and ran well enough in third at Wolverhampton off this mark last month to be considered a big threat to the selection. Molten Lava is feasibly treated if ready to roll after a summer break.

Top Tip: PERFECT SWISS (7)
