**ATR VERDICT:** Never In Red landed a Brighton maiden 24 days ago but might struggle to follow up under a penalty, having taken four attempts to get off the mark, while Stony Look, who finished fourth on debut over 1m here, could do better now dropped in trip with that experience under her belt. However, it will take some doing to account for STERLING STAMP, who impressed when third here last month. That effort came after a three-month break and this extra furlong will really help.

**Top Tip:** STERLING STAMP (8)

**Watch out for:** NEVER IN RED (1)
