TIMEFORM VIEW: There is an air of unfinished business around MR MCGO in this sphere and he could be worth chancing on his return. A useful hurdler, he shaped well on a few occasions over fences back from a long absence last term and is capable of winning a race like this. Steel Wave goes well here and looks the danger back from a break. Arctic Gold lurks on a good mark if staging a revival back chasing.

TIMEFORM VIEW:

A small field but it's still quite an interesting race. NAVAJO PASS strikes as a very interesting recruit to hurdles having quickly reached a pretty useful level on the Flat. He gets the nod but Politicise and Dynali are others whose Flat records suggest they should have a decent future in this sphere and are likely to ensure Donald McCain's charge doesn't get things all his own way.

TIMEFORM VIEW: HEARTBREAK KID ran out a very easy winner of his sole start in Irish points on testing ground in March, so he makes plenty of appeal in a maiden hurdle that shouldn't take a great deal of winning. Wbee and Timeforaspin are feared most in that order.
