**Jockey Colours:** Beige, black hoop, armlets and cap

**Timeform says:** Much improved on second run over fences when winning traditionally-strong C&D novice chase last week and potentially on a good mark under penalty, with his rider able to claim this time. 

**Notes:**

**Jockey Colours:** Red and purple (quartered), yellow sleeves, red cap

**Timeform says:** Had plenty go his way when opening account over fences in C&D handicap last month, making all and needing to be ridden into several fences. Suspect he's vulnerable for the follow up after 8 lb rise. 

**Notes:**

**Jockey Colours:** Red and purple (quartered), yellow sleeves, white cap

**Timeform says:** Enthusiastic sort, fairly useful over hurdles last season. Shaped as if amiss on chase debut after 7 months off at Chepstow but not before looking much better than pulled up suggests. Will improve.

**Notes:**

**Jockey Colours:** Royal blue, white triple diamond, armlets and diamond on cap

**Timeform says:** Tricky customer, yet to win over fences, but ended last season with some respectable runs in similar races. First run for 7 months and always a risky proposition.

**Notes:**

**Jockey Colours:** Orange and purple check, halved sleeves, orange cap

**Timeform says:** Point winner/fairly useful dual winner over hurdles at up to 3m. Certainly looks the type to make his mark over fences and should have come on for his Worcester return/chase debut. Cheekpieces go on.

**Notes:**

**Jockey Colours:** Light blue, white star, dark blue sleeves, light blue cap, white star

**Timeform says:** Looked an out-and-out stayer when taking a couple of hurdle races early in 2018 but didn't totally convince in 3 runs over fences last season (bled final start). Has had a wind operation. Risky.

**Notes:**

**Jockey Colours:** Red, white cross belts, diabolo on sleeves, hooped cap

**Timeform says:** Irish point winner/hurdles winner who shaped encouragingly on his first attempt chasing after 9 months off at Chepstow (23.6f) and that is proving to be good form. Looks a big player here.

**Notes:**

---

**TIMEFORM VIEW:** This has the look of a very strong novice handicap chase and DE NAME EVADES ME could be the one to be on having shaped well in another good race on his chase debut/return at Chepstow. He looks sure to improve and his yard continues in red-hot form. Virginia Chick is potentially on a good mark after last week's C&D win and is feared most ahead of Cloudy Glen and Worthy Farm.

**Timeform 1-2-3:**
1: DE NAME EVADES ME (7)
2: VIRGINIA CHICK (1)
3: CLOUDY GLEN (8)
