- Last season over hurdles was a bit of a write-off but she remains fairly useful and suspect she’ll come good yet. Steps up in trip on first run for 7 months. [Forecast 5.50]
- Maiden who is a big player on the pick of his efforts, including his close second at Southwell (3m, heavy) on return, but he ran a sour race when backed at Chepstow off this mark last time. [Forecast 5.00]
- Off the mark in 20f Uttoxeter mares’ handicap hurdle after a breathing operation in June and good second after 7 lb rise over further back there the following month. [Forecast 5.00]
- Well held in maiden/novice hurdles for Robin Mathew in 2017/18 and showed nothing on handicap debut after 21 months off for this handler at Chepstow. Significantly up in trip now. [Forecast 5.00]
- Off the mark over shorter here last month and good effort up in trip behind a well-backed winner at Flos Las the following week. Rider doesn’t claim this time. [Forecast 5.00]
Jockey Colours: Purple, pink star, sleeves and star on cap

Timeform says: Poor strike rate and back in this sphere after not taking to chasing, but did win a C&D handicap at this card under young rider last season and a big run wouldn’t surprise. (Forecast 7.50)

Jockey Colours: Yellow and emerald green diabolo, yellow cap

Timeform says: Runner-up 6 times last term (still a maiden), mainly on testing ground. Should come on for his reappearance and dropped a couple of pounds since, so not a forlorn hope.****** (Forecast 17.68)
**Timeform says:**

*Looked an out-and-out stayer when taking a couple of hurdle races early in 2018 but didn’t totally convince in 3 runs over fences last season (bled final start). Has had a wind operation. Risky.***

*(Forecast 34.00)*

**Jockey Colours:** Light blue, white star, dark blue sleeves, light blue cap, white star

**Timeform says:** Point winner/fairly useful dual winner over hurdles at up to 3m. Certainly looks the type to make his mark over fences and should have come on for his Worcester return/chase debut. Cheekpieces go on.***

*(Forecast 12.00)*

**Jockey Colours:** Orange and purple check, halved sleeves, orange cap

**Timeform says:** Point winner/fairly useful dual winner over hurdles at up to 3m. Certainly looks the type to make his mark over fences and should have come on for his Worcester return/chase debut. Cheekpieces go on.***

*(Forecast 7.50)*

**Jockey Colours:** Red, white cross belts, diabolus on sleeves, hooped cap

**Timeform says:** Irish point winner/hurdles winner who shaped encouragingly on his first attempt chasing after 9 months off at Chepstow (23.6f) and that is proving to be good form. Looks a big player here.***

** Timeform VIEW:** NORDIC COMBINED’s reappearance third in a big-field listed handicap at Ascot likely represents really solid form and perhaps this can finally be his day over hurdles. The unexposed Haldon Hill is a potentially dangerous opponent, particularly if the market speaks in his favour. Smarty Wild surely can't have been right on his reappearance and could easily resume his progression here.

1: NORDIC COMBINED (4)
2: HALDON HILL (6)
3: SMARTY WILD (2)
