ATR VERDICT: VIKING RUBY built on a useful second at Wincanton to get on the scoresheet at Taunton last month and having enjoyed that first try at three miles, Neil Mulholland's six-year-old could take plenty of beating here. Taras Day is a solid operator and her Southwell appearances this summer command respect, while Lassana Angel continues to see her mark fall and that may help the five-year-old bounce back to her best.

Top Tip: VIKING RUBY (4)

Watch out for: TARAS DAY (5)
