**ATR VERDICT:** RUACANA bolted up by nine lengths over the extended 2m3f on his first outing for Zoe Davison here last week and is difficult to oppose now turned out swiftly under a 7lb penalty. Karakoram is rated 7lb higher than when striking over this trip at Ludlow last month but could feasibly play a supporting role, likewise Flaminger, who showed promise over timber in the spring and is worth a market check on his handicap/seasonal bow.

**Top Tip:** RUACANA (1)

**Watch out for:** KARAKORAM (2)
