ATR VERDICT: CUBAN PETE is an unexposed quantity over fences so a 6lb rise for his impressive Hereford success, his first outing over the larger obstacles, might not be enough to stop him. A winner over hurdles before that, the seven-year-old has got the hang of things now and is progressive. Sackett should better his latest Chepstow effort reverting to fences and heads the list of dangers from Clondaw Anchor.

Top Tip: CUBAN PETE (5)

Watch out for: SACKETT (4)
