ATR VERDICT: HIGH FORT shades the vote on the basis that he might not need to improve much on his latest second-placed effort to land the spoils. His latest run at Newcastle was his best yet and he'll prove a tough nut to crack if running up to a mark of 48. Bescaby is the least exposed in the field and she could improve on what she's shown thus far in first-time cheekpieces, while Molten Lava is another to take seriously.

Top Tip: HIGH FORT (2)
