ATR VERDICT: Sulafaat got back to winning ways over further here last time and evidently goes well at this track, while Curfewed ran on for third over a mile here last time and could relish this longer trip. Corked has a length and a half to find with Curfewed on that encounter but the latter is proven at this trip, though preference is for QUOTELINE DIRECT. Micky Hammond's gelding was not far away over hurdles at Catterick last time, having gone close over a similar trip to this at Wolverhampton last month.

Top Tip: QUOTELINE DIRECT (4)

Watch out for: SULAFAAT (2)
