### IMPERIAL PRESENCE (IRE) 21

- **Jockey Colours:** Chocolate, old gold hooped sleeves, old gold cap
- **Timeform says:** Completed a hat-trick over fences in 2018. Shaped better than result when fourth in O&D handicap in April but he's yet to get going this season. **Forecast 41.00**

### SPIRITOFTHEGAMES (IRE) 15

- **Jockey Colours:** Red, white sash, emerald green sleeves, emerald green and red check cap
- **Timeform says:** Smart chaser at his best but pulled up in BetVictor on course reappearance and well held at Newbury since. Bit to prove for the time being. **Forecast 41.00**

### KNOCKNANUSS (IRE) 21

- **Jockey Colours:** Royal blue, orange sleeves, royal blue stars, orange cap, royal blue star
- **Timeform says:** Shaped encouragingly on 2m course return in October and best to put a line through subsequent run at Ascot (went off too hard in blinkers and also unsuited by right-handed track). **Forecast 21.00**

### CLONDAW CASTLE (IRE) 42 BF

- **Jockey Colours:** Red, royal blue triple diamond, chevrons on sleeves, royal blue cap, red diamonds
- **Timeform says:** Matched useful hurdle form when winning twice over fences last term. Not quite so good as return second might suggest (10 lengths down when left with every chance last) but unexposed now up in trip. **Forecast 21.00**

### GOOD MAN PAT (IRE) 22

- **Jockey Colours:** Yellow, red spots
- **Timeform says:** Useful sort who made an encouraging return to action when fourth over 3m at Ascot last month, leaving the impression the outing was just needed. Another who can't be discounted. **Forecast 13.00**

### GENEROUS DAY (IRE) 19 D

- **Jockey Colours:** Royal blue and light blue (quartered), light blue sleeves, royal blue armlets
- **Timeform says:** Wide-margin winner at Warwick in March and showed benefit of hurdle reappearance when improving again to make successful return to chasing at Kempton recently. Up in class but he's going right way. **Forecast 26.00**

### NOT THAT FUISSE (FR) 24

- **Jockey Colours:** Dark green, red cross belts, dark green and beige striped sleeves, dark green cap, red star
- **Timeform says:** Quickly made up into a useful chaser last term and gave himself a solid platform for the new campaign when third (Brelan D'As 8 lengths ahead in second) in BetVictor here last month. **Forecast 21.00**
**Jockey Colours:** Royal blue and yellow (quartered), royal blue sleeves, yellow spots, royal blue cap

**Timeform says:** Matched useful hurdle form when runner-up on first 2 chase starts (2m here latterly). Shade disappointing when only fourth at Warwick latest but no surprise were he to get back on track now. ★★★★★ (Forecast 12.00)

**Notes:**

**TIMEFORM VIEW:** CEPAGE chased home Frodon in this 12 months ago and is taken to go one better now with the form of his Aintree reappearance second having been boosted by the third winning a competitive handicap at Newbury since. Paul Nicholls has an excellent record in this race and his Secret Investor and Brelan D'As have solid claims, while Robin des Foret is also respected for Willie Mullins.

**Timeform 1-2-3:**
1: CEPAGE (1)
2: SECRET INVESTOR (4)
3: BRELAN D’AS (12)
