ATR VERDICT: SMART LASS was no match for a comfortable winner over C&D in November, but Iain Jardine's mare finished well clear of the remainder, headed by Royal Cosmic who reopposes, and this appears to represent an ideal opportunity to get off the mark in this sphere. The aforementioned Royal Cosmic has since run well at Catterick but will need to improve further to get the better of the selection as she has a 14-length deficit to overcome, while Dieu Benisse could be a player if her jumping holds up.

Top Tip: SMART LASS (7)

Watch out for: ROYAL COSMIC (4)
