ATR VERDICT: PAPAGANA landed back-to-back Listed events at Doncaster and Kempton before a solid third in Grade 1 company behind The Worlds End here. Now dropping back down in class, a return to winning ways may be on the cards for Oliver Sherwood's tough mare. Magic Of Light claimed this contest 12 months ago and finished runner-up in the Grand National later in the season. She warmed up for this assignment with a facile chase victory at Newbury and should put up plenty of resistance. Sensulano took a Listed contest at Warwick, also over fences, and could make her presence felt.

Top Tip: PAPAGANA (2)

Watch out for: MAGIC OF LIGHT (1)
