**ATR VERDICT:** DREWMAIN LEGEND gamely won a chase at Chepstow during the spring and has continued that forward momentum this term, winning and placing twice over hurdles. The victory was recorded at this venue and her subsequent third in a 0-125 handicap at Newbury was just as impressive, so another bold bid looks assured. Thoor Castle looks to be improving and merits consideration on her handicap debut, while Sabbatical has a chance on the form of his latest third at Plumpton.

**Top Tip:** DREWMAIN LEGEND (4)

**Watch out for:** THOOR CASTLE (2)
