**ATR VERDICT:** SAY THE WORD shaped on his handicap debut when third here earlier in the month as though he would benefit from a step up in distance and the son of Authorized makes plenty of appeal receiving the weight-for-age allowance. Butler's Brief found one too strong at Hereford last time but he remains open to progression with the handicapper leaving him on the same mark, while Very Intense and Project Mars can fight it out for the minor honours.

**Top Tip:** SAY THE WORD (17)  
**Watch out for:** BUTLER'S BRIEF (2)
