**Timeform says:**
- Formerly a useful chaser for Alan King who was unbeaten in points and made an impressive winning return at Taunton. Undone by Alcala at Haydock last time but this looks much easier.★★★★★ (Forecast 1.53)
- Was looking increasingly temperamental for Richard Guest in 2018 and, having been placed in a point, seemed in need of the run when well-held third in a hunter at Wetherby a month ago. Hard to fancy.★★★★★ (Forecast 13.00)
- Geordieland gelding. Brother to a point winner. Dam unraced. Wears tongue strap. Maiden pointer, unplaced last time (Jan 26). Up against it on hunter debut.★★★★★ (Forecast 41.00)
- No form under Rules and off since winning a point in November 2018, so hard to envisage him making any impression.★★★★★ (Forecast 29.00)
- Went the wrong way over fences for Colin Tizzard but got his act together in points and made a positive return to Rules when second in a novice hunter recently. Needs to back that up.★★★★★ (Forecast 5.00)
- Scored between the flags recently but doesn't have much to recommend him based on Rules form.★★★★★ (Forecast 34.00)
TIMEFORM VIEW: WISHING AND HOPING found only the classy Alcala too good at Haydock last time and was a long way clear of the others, so he shouldn't have an issue getting back to winning ways in a much weaker affair. Waterloo Warrior is the clear danger if he can reproduce the form of his second at Leicester recently.
