**Timeform says:**
- Useful novice hurdler last term, placed behind Minella Indo at Cheltenham/Punchestown Festivals. Beaten by Easy Game on chase bow before cruising home by wide margin at Fairyhouse. Exciting prospect. (Forecast 6.00)
- Did well over hurdles, winning 5 times. In process of making encouraging chase bow when unseating rider at Doncaster and had no problems making amends in match race at Newcastle. Big ask here, though. (Forecast 67.00)
- Leading novice hurdler last term. Won first 3 starts over fences, including small-field Grade 1 at Leopardstown. Weakening when falling there next time but he's not one to write off. (Forecast 101.00)
- Taking off for falling 2 out. Big chance. (Forecast 4.33)
- Only defeat over hurdles last year when second in Ballymore. Good start over fences, winning twice at Newbury, including Grade 2. Would have won Dipper here but for falling 2 out. Big chance. (Forecast 3.33)
- Winning hurdler but proving much better over fences, winner of good handicaps at Wincanton and Newbury before completing hat-trick in Grade 2 at Ascot last time. Bold bid expected. (Forecast 5.00)
- Better in 2 starts over fences, beating stablemate Allaho on chasing debut at Leopardstown before close second in Grade 1 there. Trip a query. (Forecast 13.00)

**Timeform VIEW:**
- CHAMP remains one of the very best chasing prospects on the scene and is taken to atone for the fall that cost him a perfect record over fences here on New Year's Day. There was plenty to like about Copperhead's performance at Ascot last month and he is interesting, especially if conditions become testing. Of the Irish, Minella Indo is respected as a Festival winner over hurdles.

**Timeform 1-2-3:**
1: CHAMP (5)  
2: COPPERHEAD (6)  
3: MINELLA INDO (8)

**Notes:**
- Timeform says: Winner of Albert Bartlett at last year's Festival before following up at Punchestown. Yet to be highly tried over fences but beat a subsequent Grade 2 winner when off mark at Navan. High on shortlist. (Forecast 5.00)
- Second-season novice who's had mixed fortunes over fences but won all 3 obtained starts this term, notably Grade 1 at Kempton. Not himself against Gold Cup horses in Cotswold Chase here last time. (Forecast 101.00)
- Second-season novice who's had mixed fortunes over fences but won all 3 obtained starts this term, notably Grade 1 at Kempton. Not himself against Gold Cup horses in Cotswold Chase here last time. (Forecast 6.00)
- Second-season novice who's had mixed fortunes over fences but won all 3 obtained starts this term, notably Grade 1 at Kempton. Not himself against Gold Cup horses in Cotswold Chase here last time. (Forecast 67.00)
