**Timeform says:**

- Auteuil hurdle debut winner last spring. Too free on British debut here in November, but did the job well in first-time tongue strap at Ludlow in January. Had wind op since. Also hooded first time.★★★★☆ (Forecast 13.00)
- Winner of second of his 2 starts in France and opened account for new connections in good style at Naas. Has attracted plenty of ante-post support for this and very much one to consider. ★★★★★☆ (Forecast 9.00)
- Fair maiden on the Flat for Martyn Meade and has followed hurdles debut near miss with decisive back-to-backs wins over 2m at Sandown. Remains with potential and warrants close consideration. ★★★★★☆ (Forecast 13.00)
- Winner of Ludlow maiden and listed race at Wetherby on first 2 starts. Turned over when odds on for novice event back at Ludlow last time, but remains with potential and needs a second look. ★★★★★☆ (Forecast 23.00)
- Showed plenty of ability in France and made it 2-2 for this yard at Warwick in January. Strong-travelling, fluent-jumping style will stand him in good stead here and he has to be high on the shortlist ★★★★★☆ (Forecast 15.00)
- Winner on the Flat for Tom Dascombe and made it third time lucky in this sphere from the front at Doncaster last month. May have more to offer now handicapping, but improvement is certainly needed. ★★★★★☆ (Forecast 26.00)

<td>Light green, yellow inverted triangle, yellow sleeves, red diamonds, yellow cap, red diamonds. Stepped up on opening hurdles effort when landing 16-runner Cork maiden in good style. Has come up short in graded company the last twice, though, and looks vulnerable now handicapping for new yard. (Forecast 67.00)</td>

### Notes:

- **GROUP STAGE**: Dark blue, emerald green hoops, quartered cap
  - **Timeform says**: Pair of juvenile wins in the autumn but ran badly when upped to Grade 2 level at Leopardstown over Christmas. Freshened up since. Mark not obviously generous.
  - **Forecast 41.00**

- **GEROLAMO CARDANO**: Yellow, black cross of lorraine, yellow sleeves, black stars, black cap
  - **Timeform says**: Decisive winner on Ludlow hurdles debut and best work at the finish when 1½ lengths second to Thyme White at Musselburgh last time. 2 lb better off with that rival now, but more needed overall.★★★★★
  - **Forecast 26.00**

- **THEATRE OF WAR**: White, red cross belts and sleeves
  - **Timeform says**: Scored in good style on Hereford hurdles debut at the beginning of January. Improved on that when third to Galahad Quest here later that month, but latest effort at Haydock was inauspicious.★★★★★
  - **Forecast 67.00**

- **REPETITIO**: Black, white star, white sleeves, black stars and cap
  - **Timeform says**: Has improved here the last twice, third to leading Triumph Hurdle hope Allmankind in Grade 2 company prior to landing a handicap in gritty fashion. 5 lb rise fair and live each-way claims.
  - **Forecast 26.00**

- **GOA LIL**: French bumper winner who showed improved form over hurdles when making all at Kempton (2m) in January. Backed that up when fourth to Thyme White in Musselburgh listed event since.
  - **Timeform says**: French bumper winner who showed improved form over hurdles when making all at Kempton (2m) in January. Backed that up when fourth to Thyme White in Musselburgh listed event since.
  - **Forecast 29.00**

- **TRONADOR**: Red and white hooped, check cap
  - **Timeform says**: No great shakes on Flat but taken well to this sphere, clear-cut winner of Thurles maiden on penultimate start. Blinkered for first time over hurdles. Respected for yard with good record in this.
  - **Forecast 13.00**

- **GEALACH**: Royal blue, yellow hoops, sleeves and diamond on cap
  - **Timeform says**: Much improved when successful at Punchestown in December. Not disgraced when fourth of 6 in juvenile at Fairyhouse (2m, heavy) the following month. Handicap debut. One of 5 runners for yard.
  - **Forecast 23.00**

TIMEFORM VIEW: BLACKO has created a really good impression when winning both starts for Alan King and looks an ideal type for this race. Gordon Elliott knows what it takes to win this and has a couple of very interesting contenders in Aramax and Tronador. Paul Nicholls is another who targets this contest and Thyme White and Mick Pastor are also respected on the back of last-time-out wins.

Timeform 1-2-3:
1: BLACKO (5)
2: ARAMAX (2)
3: THYME WHITE (10)
