**TIMEFORM VIEW:** LIGERA is difficult to oppose after her win at Lingfield. Her opening mark looks workable and she should have further improvement to come on just her third run. Feel Good Factor wasn't seen to best effect here last time and might be a different proposition back at 7f with De Sousa in the saddle. Pretty In Grey is another that can't be ruled out.

**TIMEFORM VIEW:** RODIN looks a progressive colt who should have more to offer after his Lingfield victory. His wide draw is slightly offputting but he should be too good for his rivals. The Blue Bower won well here last time and she too looks progressive on this surface. Qasbaz is one to note in the market on both yard and handicap debut.

**TIMEFORM VIEW:** VASARI is the type of horse that will progress rapidly for his trainer and there's every chance he takes a huge leap forward from his Newmarket reappearance. Penpal is a C&D winner who had excuses on her return last month and she may improve markedly for that outing. Nirodha ran creditably last time and may also be better for the run.

TIMEFORM VIEW: VIBRANCE has now won 4 times over C&D from 5 attempts and it would be brave to oppose her gaining another success. She scored comprehensively last time and a 6 lb rise may not stop her. Volcanic Sky should improve for his run at Newmarket and won't be far away. Jersey Wonder is another C&D winner who can get involved in the finish.
