TIMEFORM VIEW: Nigel Hawke has proved adept with lightly-raced sorts making a quick switch to handicap company so INNERPICKLE could be the way to go here. It's possible the shorter trip and a first-time tongue tie will enable Magellan to see his race out better and he's a possible threat, while Carpool may have been unsuited by deep winter ground when last seen and has been given a chance by the handicapper.

Timeform 1-2-3:
