**Timeform View:**
**DIGITAL** achieved a very similar level when finding only one too good both starts last month, and with the form of his Doncaster race well advertised since, he looks the way to go. Blind Beggar showed enough at York to make him second choice, though a market move for Umm Kulthum on debut would have to be taken seriously.

**TIMEFORM VIEW:**
MACHREE shaped encourageingly after 7 months off at Haydock earlier this month, travelling better than most but finding no extra only late on. She has stepped up loads on her reappearance to win second time back for the previous 2 seasons, and is taken to do so once again for the Declan Carroll team. Our Little Pony is feared most especially if the rain continues to fall, ahead of Manshood.

### Timeform View:
William Haggas holds strong claims of taking this novice event. His WITH THANKS will be tough to beat if she’s ready to roll 9 months on from her winning debut at Newmarket. Her stablemate Avebury could give her most to think about, while Michael Dods saddles 4 and any support for his newcomer Worden Park may prove to be significant.

**Timeform View:** Wondrous Words showed plenty when third on her debut in a Haydock novice that is working out well so gets the nod over Glen Force. Sir Mark Prescott’s colt is the form pick but didn’t look the most straightforward when beaten at odds on at Ayr last time and might have to settle for second once more. Crown Court appeals most of the newcomers.

TIMEFORM VIEW: A case can be made for a few but it’s hard to side against KING’S CHARISMA who has returned much improved and is taken to defy a 6 lb rise for his stylish Haydock win and complete the hat-trick for his in-form handler. Camahawk has shown the strong impression this step up in trip will suit so rates the chief threat, although Make Haste Slowly can also make his presence felt in a competitive handicap.
