ATR VERDICT: CHOSEN MARK made a winning debut over this trip at Newcastle last month and although this demands more from John Quinn's charge now he is turned out under a penalty, he looked one to keep on the right side of. Sandown maiden winner Desert Vision is feared most, while there could also be a big run on the cards from Richard Hannon's Mark Of Respect, who receives weight from the aforementioned pair.

ATR VERDICT: Rocky Dreams shaped with an abundance of promise when fourth over 6f here on debut and is expected to take closer order for the Richard Hannon team now granted this additional furlong, though preference is for WITH RESPECT. Hughie Morrison's charge impressed when striking on bottomless ground on debut at Newbury last term and looked an exciting prospect with potential Patten, if not Classic, aspirations. The Perfect Crown ran well in Listed company last time and could also take a hand.

ATR VERDICT: GAVI DI GAVI has been raised 6lb for winning over this trip at Wolverhampton last month but Alan King's charge has bagged a workable draw and is expected to follow up to notch a quick double. Broughtons Flare is a model of consistency and could play a minor role while rated only 3lb higher than when scoring at Kempton in February. The Right Choice rates best of the remainder.

ATR VERDICT: Emotional Moment made a winning debut over 7f at Kempton in June but was beaten under a penalty over the same trip at Newcastle last time so will be hoping this extra furlong can spark some improvement. For win purposes, it might be worth taking a chance on CHASE THAT DREAM, a Cannock Chase colt who is expected to know his his job first time out for Mark Johnston. Gallardise should be all the wiser for the experience gained on debut at Kempton and could also figure.

ATR VERDICT: Roundabout Magic will likely be a warm order as he bids to follow up his recent 5f course victory but a 4lb rise might leave him vulnerable to CAPPANANTY CON over this longer trip. The selection has had a couple of turf spins since being beaten by a neck over C&D in June but won one of them under today's pilot so is expected to be competitive on his return to a synthetic surface. Ghepardo and Seprani also merit consideration from workable draws.

ATR VERDICT: DARK SPECTRE appeared to come on plenty for his debut spin over 7f at Haydock when landing the bronze medal over 1m at Windsor. Ed Walker's charge could improve again for this stiffer test and, under Oisin Murphy, he is taken to open his account at the third attempt. Any money for John Gosden's newcomers, Amtiyaz and Golden Rules, would be notable, while Curtiz looked to be going the right way last year and is also worth a market check on his seasonal return.

ATR VERDICT: MILITRY DECORATION impressed when striking over this trip at Wolverhampton last time and, if proving as effective on Polytrack, Camilla Poulton's five-year-old could defy a 5lb penalty. Old Friend failed to justify favouritism at Windsor last time but he was beaten by less than a length off this mark and should be thereabouts with a repeat performance. The consistent Pearl Beach must also enter calculations.
