ATR VERDICT: ALEZAN has flourished over a mile the last twice, building on a second at Kempton to land her first career victory when pulling clear at Bath last time. She looks to be ahead of her mark and can continue on an upward curve here. Stopnsearch showed significant improvement when opening his account over course and distance in February and is interesting off a 4lb higher mark following a few months off the track. Sepia Belle also makes appeal stepping up to a mile and could be lurking dangerously at the foot of the handicap.

Top Tip: ALEZAN (11)

Watch out for: STOPNSEARCH (8)
