TIMEFORM VIEW: REIMS had three runs for William Haggas and showed ability only on her first run last October but starts life in handicaps off a mark of just 64. Her new yard is enjoying a purple patch after a double at Sandown on Sunday and she's chanced to make a winning handicap debut. Kaafy sets the standard on form to date but he's vulnerable to something less exposed. Spring Campaign is another danger.

TIMEFORM VIEW: APRES DARK is difficult to oppose after his comprehensive win at Newmarket in June and he should take the beating if running anywhere near that form. The Princes Poet has the potential to improve from his promising Goodwood effort and will be the main danger. Echo Beach is the most appealing newcomer.

TIMEFORM VIEW: BIZZI LIZZI is favoured in a very deep novice event. She won well at Newmarket last month and John Gosden isn't afraid to run his top prospects at this venue. Bint Australia will be a real danger getting weight from the selection and she looked to be improving rapidly at Pontefract. Mountain Dreams and Date In Vegas also have the potential to improve significantly.
