ATR VERDICT: AL MADHAR lost his unbeaten record when finding the step up in class too much when finishing last in the Dante at York. However, he remains open to progression, now dropped into handicap company for the first time, and the manner of his success at Newbury on his return to action suggested the extra couple of furlongs would pose no issue. Wise Glory went up 5lb for his handicap debut success at Newmarket and he appears to have the scope for further progression, while the hat-trick seeking Grand Bazaar and Shandoz, a winner of his third start at Wolverhampton last September, are others worth considering.

Top Tip: AL MADHAR (1)

Watch out for: WISE GLORY (4)
