**TIMEFORM VIEW:** Only a few in here make appeal, with WINTER POWER a confident selection to get back on track having had excuses when down the field in a listed contest at York 10 days ago. Risk of Thunder rates as the main threat having taken a step back in the right direction when runner-up at Catterick last time, ahead of Miss Nay Never.

## Notes:

- Jockey Colours: Orange, light blue disc, light blue sleeves, orange spots and spots on cap
- Timeform says: Thrice-raced maiden. First run since leaving Richard Hannon when last of 13 in handicap at Thirsk (8f, good to firm, 100/1) 34 days ago. Uphill task. Forecast (12.00)

- Jockey Colours: Marion, yellow chevron, light blue sleeves
- Timeform says: Promising Ayr debut second before landing odds in 9-runner maiden at Beverley (7f, firm) 20 days ago. More to offer on his handicap debut so holds solid claims. Forecast (3.00)

- Jockey Colours: Silver, tassel on cap
- Timeform says: Improved form when runner-up in nursery over C&D but only sixth of 11 in similar event at Beverley 14 days ago. Yard among the winners so not ruled out back here. Forecast (12.00)
TIMEFORM VIEW: Marginal preference is for INNSE GALL who still looked a work in progress when getting up late to score over C&D and can improve again to defy a 6 lb rise for that nursery success. Pythagoras is another colt with better days ahead of him so rates a big threat, while Red Right Sand is another handicap debutant who worthy is a second look.

**Timeform View:**

ROUNDHAY PARK and Broken Spear both looked unlucky at Chester 12 days ago, particularly the former who did well to finish as close as he did given his wide draw and the traffic problems he encountered at crucial stages of the race. Nigel Tinkler’s charge earns the vote. Royal Residence and Abel Handy, second and fourth respectively in the C&D Great St Wilfrid Handicap, are others to consider.
