ATR VERDICT: SIR MAXI proved best of the rest behind an impressive winner at Windsor on debut and the 155,000gns buy, who is a half-brother to three winners, won't need to find too much improvement to better that opening second. Roydmoor has produced some fine efforts in defeat this season and is now well worth trying at 6f for the second time. Mr Trevor hasn't been disgraced in his two outings so far and has the ideal draw to mount a strong challenge this time.

ATR VERDICT: PRODUCTION appreciated the drop back to 6f when finishing second at Kempton earlier this month and the four-year-old could have a huge say in this off a 1lb lower mark, with Hannah Fraser taking over in the saddle and removing a useful 7lb with her claim. Lezardrieux went close at Catterick last time and is of interest off the same figure, while Richard Fahey's Anna Maria makes appeal off a rating which continues to fall and she could be dangerous from the foot of the handicap.

ATR VERDICT: STORMY GIRL landed a Listed contest over course and distance on her penultimate start and lost little in defeat when upped to 7f for a competitive Group 3 at Doncaster last week. The switch to handicap company could see Rebecca Menzies' consistent performer record a second track victory and she rates as the one to beat. Auchterarder got the better of a useful operator when winning at Lingfield in February and is one of two to consider representing Mark Johnston alongside recent Salisbury third Mountain Brave. Last Surprise got on the scoresheet at Kempton recently and is also of note off a 3lb higher rating.

ATR VERDICT: A chance is taken on the relatively unexposed GOOD VIEW, who was progressive in three starts for Ellmarie Holden and made a pleasing stable debut for David O'Meara when fourth over 1m4f at Haydock last week. This step up in trip could potentially unlock another gear and it will be disappointing if she isn't competitive at least. The only runner off a lighter weight is Lizzie Loch, who has been knocking on the door and should run well again. The first-time visored Alexanderthegreat also has a squeak.

ATR VERDICT: It might pay to side with HIGHWAYGREY, a three-time C&D winner who had been in cracking form before a slightly disappointing effort on soft ground at Haydock latest. Back on a faster surface, at a track he clearly loves, don't be surprised if he bounces right back to form. Gift Of Kings justified favouritism at Newcastle last time and warrants respect switching back to turf off only 3lb higher mark, while the dropped-in-class Archie Perkins is no forlorn hope from the opposite end of the weights.

ATR VERDICT: DUCK AND VANISH showed potential on his first two career outings before flopping at Doncaster 74 days ago and could bounce back to get off the mark for William Haggas. The three-year-old has since had a wind operation and wears a tongue-tie now, while the booking of James Doyle for the first time suggests that connections mean business. Opera Gift was fourth on debut at Goodwood last week and shaped there like a step up in distance would help, while Seagulls Nest might prove good enough for third.

ATR VERDICT: ULSHAW BRIDGE bounced back to form when only finding one too good at Ayr last month and could be suited by this big field. Not the easiest to win with, the five-year-old has to be delivered at the right time, but has a nice low draw here and should get plenty of cover before challenging late. Alfred Richardson keeps bumping into less-exposed rivals but faces largely more experience types here, while, of the classic generation, Little Ted is fancied to go best.

Top Tip: ULSHAW BRIDGE (2)

Watch out for: LITTLE TED (13)
