| <b>TIMEFORM VIEW:</b> The vote in this intriguing contest goes to GO CHIQUE, who looked good when making a winning start to her career in a Southwell bumper and she brings a good deal of potential to the table now tackling hurdles. Aggy With It is also armed with potential and rates the main danger ahead of Perfect Myth and Mrs Hyde |   |      |  |           |                                |   |
