**ATR VERDICT:** HICONIC narrowly failed to justify favouritism on the level at Lingfield earlier this month, but previously looked impressive when landing the odds at Newton Abbot in this sphere and could prove tough to stop receiving 7lb from Amy Murphy's C&D hat-trick seeker Soldier On Parade. The selection is 4-4 over obstacles and this is another nice opening for Alex Hales' charge. Recent Fontwell hero Talking About You needs to improve again but that is entirely possible.

**Top Tip:** HICONIC (2)

**Watch out for:** SOLDIER ON PARADE (1)
