ATR VERDICT: HIDDEN CARGO has been a model of consistency of late and the application of a tongue-tie and the return of James Bowen to the saddle could be all that is required to see the eight-year-old land a deserved success here. Doctor Haze went close at Stratford on his reappearance and is interesting stepping up in trip off a 11lb higher mark. Silent Encore hit the crossbar over track and trip off this rating in March and is another to take seriously.

Top Tip: HIDDEN CARGO (2)

Watch out for: DOCTOR HAZE (3)
