**ATR VERDICT:** Black Sparrow has some interesting form to her name, though it was disappointing that she failed to justify favouritism when only third at Wolverhampton. Perfect Sign was second in a better race than this at Newcastle two starts ago and would be dangerous if back to that sort of level, but that isn't assured and a more solid option might be CAPLA DREAM. Second behind a more experienced rival here three weeks ago, those exertions will have done her good and the drop from 7f is a further positive.

**Top Tip:** CAPLA DREAM (2)

**Watch out for:** PERFECT SIGN (4)
