TIMEFORM VIEW: STONE MASON bombed out on turf last time but had scored easily on AW prior to that and is very much unexposed granted this sort of test on an artificial surface. Recent C&D 1-2 Cheap Jack and Mr Carbonator ought to figure again, while a market move for the returning Notation would also bring her very much into the reckoning.

TIMEFORM VIEW: XCELENTE looks a natural on this surface and can make light of a 9 lb rise for his C&D win 12 days ago. Star of St James has a second and a win to show from his previous visits here so he should have a say again, while it would also be no surprise to see Ayr Harbour leave recent runs behind now back on AW.

**TIMEFORM VIEW:** Simon Dow has his team in good form so IVAQUESTION gets the nod to make light of a 5 lb rise for Kempton with that form having been boosted a couple of times since. Beat The Heat has enjoyed a pretty good spell of late and heads the dangers along with Russian Rumour who disappointed last time but had won well prior to that.
