TIMEFORM VIEW: In an open affair it might be worth taking a chance on MUSTARRID who has dropped to 2 lb lower than when landing this race under Paul Hanagan a year ago. Flying West is going the right way and rates a big threat as she goes in search of a hat-trick. Last week's comfortable Windsor winner Espresso Freddo also merits plenty of respect.

TIMEFORM VIEW: HELVETIAN wasn't seen to best effect here last time and might be worth siding with as he's now 5 lb lower than when a good fourth on soft at Haydock last month and the booking of William Buick is interesting. Rasheeq arrives on the back of a couple of good runs and can go well again, while Show Palace is always respected at this venue when the mud is flying.

TIMEFORM VIEW: ISPAHAN has already showed plenty of ability and, given things didn't go his way when fourth in a handicap at York last time, he remains with improvement in him, so he's an obvious choice to open his account back in novice company. Push The Tempo has been in good order over hurdles and might pose the biggest threat to the selection, though Cadeau d'Or is hard to rule out.

TIMEFORM VIEW: DIVA KAREEM didn't enjoy the rub of the green when seventh at Leicester last time and looks to have been found a very good opportunity to open her account here. Fellow 3-y-o Fedora Fits commands plenty of respect as she bids to gain a first win too, while Bigbadboy appeals as a solid place contender in a handicap where plenty have question marks against them.

TIMEFORM VIEW: THERMAL is really going the right way now for her new yard and is strongly fancied to defy a 3 lb rise for her recent Lingfield win with that form proving very strong for the grade. Grandscape is expected to step up on his recent Southwell ninth after an absence so is feared most for his new handler, although in-form Contrast is another well worth considering.
