**TIMEFORM VIEW:** The hat-trick beckons for KNIGHT COMMANDER, who remains on a competitive mark despite the fact that he's effectively 9 lb higher than for his latest success at Exeter. It would be no surprise were Jawshan to leave his previous efforts in this sphere well behind now pitched into a handicap, but Christopher Robin and Level of Intensity rate the main dangers.

**TIMEFORM VIEW:** There should be better to come from ISOLATE, who shaped well on debut in this sphere at Doncaster in February and there were several plausible excuses for his reappearance defeat at Bangor, not least the soft ground. Celestial Force has done little wrong since switched to hurdles, but he's saddled with a double penalty and Caddyhill may pose a bigger threat.

★★★★☆ (Forecast 4.33)

**Notes:**

**TIMEFORM VIEW:** Ready preference is for unexposed 5-y-o FRIEND OR FOE, who shaped very well indeed when runner-up back from an 18-month absence at Chepstow and turns out here off the same mark. Andaleep was 2 lb 'wrong' at the weights when just behind Get Back Get Back at Wincanton, and he is taken to reverse the placings with that rival and emerge as the main danger.
